CONTROL OF MINERALS.

My dear Kesavaiengar.

The Department of Supply is considering certain proposals regarding control of minerals and contemplates the calling of a conference of those authorities and firms who are interested. In this connection, the Political Department has telegraphed for the following information :-

(i) The States in which mica is found.

(ii) The names of important firms, if deposits are worked by private agency.

(iii) The names of those concerns who act as sellers and shippers of this material.

2. The Resident would be grateful if you would kindly let us have the required information as far as Mysore is concerned.

3.

3. Will you please let me have your reply in a day or two?

Yours sincerely

Rowlan.

Rajasevaprasakta Mr. B.T. Kesaviengar, B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Subd for perusal. Perhaps the Dept. Secretary may get the information from the Director of Geology.
